LEARNING DISABILITIES DAY OPPORTUNITIES SERVICE

The Day Opportunities Service, has several units across Barnsley each giving the chance for Service Users to experience and enjoy many different opportunities both within the locality unit buildings and throughout their local community. Fully supported by an experienced staff Team, Service Users can enjoy getting involved in activities that include Sports , Social and Leisure. Education, or work type activities, and community involvement.

All activities are open to all service users, and based around an individuals likes, wants and needs.

You, the service user, can chose which activities you want to be involved in, and we will support you to enjoy them and develop your abilities and skills.

Your time ,Your Choice

All service users are encouraged and supported to develop their own personal programme throughout the week.

Where possible activities take place within the community, joining local community groups and using local community facilities.

Staff support service users to get to and from activities and to join in, enjoy and learn from all the activities they chose.

Service Users can attend for , full week, or on individual days / sessions just for activities they want to go to.
